

THE WRITING PROCESS

The writing process helps us write stories. It has several steps and makes it easier to write. Below are the steps of the writing process:

1 Prewriting

Think of ideas to write about.

2 Writing (Drafting)

Write the first draft of your story.

3 Editing

Check for mistakes.

4 Revising

Can you make your story better?

5 Publishing

You're finished! Share your story with others.
